Purpose of the Property Tax School:

The purpose of the Property Tax School is to provide a basic but comprehensive foundation in the theory and practice of property tax management for businesses, including demonstration of valuation techniques used by property tax professionals. The school is recommended for individuals with less than five years of experience in the field and little or no exposure to appraisal training. The course will be conducted by a faculty team of experienced tax professionals who will facilitate an informative, cooperative and effective educational environment consistent with the highest standards of adult continuing education and the Institute.

Objectives of the Property Tax School:

- Develop a clear understanding and appreciation of proper ethical conduct in the business property tax profession.
- Facilitate the development of a network of professional colleagues to assist each other in solving property tax administration problems.
- Develop an understanding of ad valorem property taxation within the business environment.
- Develop an applied understanding of property valuation and appraisal principles.
- Develop a working knowledge of the business property tax profession, beginning with property tax administration, management and practice, and including real and personal property issues, valuation, taxation, compliance, audits, and tax saving opportunities.

Registration Information

Registrations must be submitted in advance through the IPT office and are accepted on a first received basis. There will be a limited number of registrants accepted per company. Enrollment is limited to IPT members or employees of companies who have members in IPT. **PLEASE NOTE:** If a faxed application received by IPT is accepted (acceptance letters will be sent by July 15, 2005), and the person declines the acceptance, there will be a \$100 cancellation penalty imposed. There will also be a substitution fee if someone other than the original applicant attends.

In order to encourage early registration, a discount of \$25.00 is available to those who register prior to July 15, 2005. The fees (U.S. funds) are:

Payments received by July 15, 2005*:

- \$775 (Individual personally holding membership in IPT)
- \$975 (Individual does not hold membership, but company/firm has members in IPT)

Payments received after July 15, 2005*:

- \$800 (Individual personally holding membership in IPT)
- \$1,000 (Individual does not hold membership, but company/firm has members in IPT)

*For any payment received after July 15, 2005, the \$25.00 discount does not apply. This includes faxed registration forms received without payment prior to this date.

As indicated above, there is an additional \$200 charge for individuals whose company has members in IPT, but the individual attending the school does not hold a membership in IPT. In this case, the total school fee would be \$975. If the registrant so elects, he/she may join as an Associate Member (company already has members) for annual dues payment of \$225 (nonrefundable), and will be eligible for the reduced school fee of \$775. Please see registration form. There is also a \$360 supplemental registration fee for registrants not staying at the Georgia Tech Hotel and Conference Center under IPT's group package. (See hotel reservation form.)

All registrations must be paid in full within three weeks of acceptance and prior to the school. A \$50 surcharge applies if payment is still outstanding as of August 18, 2005. All fees must be in U.S. funds. The following credit cards can be used: American Express, VISA and Master Card. In order for credit card to be processed, it is important that the information requested on the registration form be filled out completely. If the address on your registration form differs from the billing address for your credit card, you must provide IPT with the credit card billing address. Make check payable to: Institute for Professionals in Taxation and remit to: 1200 Abernathy Road, N.E., Building 600, Suite L-2, Atlanta, GA 30328.

Cancellation/Substitution Policy

Refunds, subject to a cancellation charge of \$100, will be made upon written notification of cancellations received by August 5, 2005. There is also a substitution charge of \$40 before July 15, 2005, \$50 after that date (plus cost of delivery of materials, etc., and any fee increase due to membership differential). For more information regarding administrative policies such as complaint and refund, please contact our office at 404.240.2300.
