## Continuing Education Credit

Approximately 6.5 continuing education credits are available for full attendance. In accordance with the standards of the National Registry of CPE Sponsors, CPE credits are granted based on a 50-minute hour.

Each attendee will be able to obtain a copy of his or her scanned attendance (Certificate of Attendance) through the IPT website on the "My Participation" tab approximately two weeks after the end of the program.

CMI's and CCIP's will receive hour-for-hour continuing education credits for actual session attendance (based on a 50-minute credit hour).

As required by regulatory agencies, IPT must verify individual attendance at sessions in order to grant continuing education credits. Each attendee's name badge has a unique barcode that identifies that individual. In order to obtain CE credit, individuals must scan their bar-coded badge during the first 15 minutes of each session. **No credit or verification of attendance will be given to attendees who do not scan their badges at the appropriate times.**

The Institute for Professionals in Taxation® is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: [www.learningmarket.org](http://www.learningmarket.org). For more information regarding administrative policies such as complaint and refund, please contact our office at (404) 240-2300.

IPT files a Continuing Legal Education (CLE) application with the state in which the program is held. Any fee imposed by an individual state based on an individual's credit hours is the responsibility of the individual.
